# PR. MICHEL LEGALL

Pr. Michel Le Gall maintained a private practice in Aubagne, France, from 1983 to 2020. He received his degree in Dental Science from the University of Marseille and completed a post-graduate program in Orthodontics and DentoFacial Orthopedics at the same university in 1986. He earned a Master of Science in Biological Sciences and a PhD in the field of mechanical-energy in 2009, with additional work on tribology at the interface between brackets, wires, and ligatures, culminating in 2011.

Pr. Le Gall currently serves as the Head of the Unit of Orthodontics and DentoFacial Orthopedics at the University Hospital of Marseille, where he directs the Post Graduate Program in Orthodontics and collaborates with the Laboratory of Biomechanical Application. He co-founded GET (Goals-Evidence-Treatment) with Dr. Stefano Troiani, introducing innovative brackets with a unique anterior prescription.

A Diplomate of the French Board of Orthodontics, he is a member of several orthodontic societies, an author of numerous international publications, and currently serves as President of the French Society of DentoFacial Orthopedics.

He is also the future Scientific President of the French Federation of Orthodontics for 2024 and 2025.

# DR. RAFFAELE SPENA

Dr. Raffaele Spena earned his DDS from the University of Napoli in 1984, followed by a graduate degree in Orthodontics from the University of Pennsylvania in 1988 and another from the University of Ferrara in 2003. He is a speaker at both Italian and international courses and meetings, an author of several publications in peer-reviewed journals, and a reviewer for Italian and international journals.

His works include the atlas book *Nonextraction Treatment* (1998, Italian; 2002, English) and chapters in renowned textbooks, such as *Orthodontics – Current Principles and Techniques* (editions 2000, 2005, 2011, 2016) and *Biological Mechanisms of Tooth Movement* (2021). Dr. Spena has held academic positions as an Adjunct Associate Clinical Professor at the University of Pennsylvania (1988–2000), Università di Parma (1996–2000), and Università di Ferrara (since 2003).

He is an active member of AIDO (Italian Academy of Orthodontics), AAO, SIDO, WFO, and EOS. He has held leadership roles, including Scientific Secretary (2008–2009) and Past-President (2010) of AIDO, and has been an active member of the Angle Society of Europe (ASE) since 2005, serving as Program Chair in 2015 and on the Scientific Committee. Dr. Spena achieved the Italian Board of Orthodontics in 2001 and the European Board of Orthodontics in 2008.

He maintains a private practice in Napoli.
